

## HOSPITALITY PARTNERSHIP WITH LUSH BY TOM KERRIDGE

Red Eye are proud to announce an exciting new partnership that will see our Monaco events reach a new level of quality in 2019. *Lush by Tom Kerridge* is an events and hospitality business that offers a standard of excellence built on the foundations of the 2 Michelin Star *The Hand & Flowers*. Its classic techniques, together with high quality produce and ingredients, give a level of hospitality that is simply world class. Tom and his creative team will join us in Monaco, providing delicious, award-winning cuisine, as well as being on hand to meet guests and talk through their mouth-watering menu.

*“I’m looking forward to working with Red Eye for arguably the most watched and highly regarded Grand Prix on the circuit. Formula One™ is such a dynamic, exciting and glamorous sport and the setting doesn’t get any better than being on a yacht in Monaco with Red Eye Events.”*
